## Equalities Policy

---

### Equality Objectives

---

At Clover Leys Spencer Academy, we are committed to meeting the public sector equality duties (PSED). The Public Sector Equality Duty requires our school to monitor our policies and procedures and to publish information about equalities in our school. We follow and revise our Equality Action Plan (2021-2025), continually review and seek to improve our provision regularly.

The new General Duty replaces the three existing public sector equality duties for disability, race and gender. It covers all protected characteristics and has three main aims requiring public bodies to have due regard to the need for:

1. Eliminate discrimination, harassment, victimisation and other conduct that is prohibited under the Equality Act 2010.
2. Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it.
3. Foster good relations between persons who share a protected characteristic and persons who do not share it.

### Protected Characteristics

---

The Equality Act 2010 states that it is unlawful to discriminate against people with the following protected characteristics. This applies to the whole school community:

- Age (staff)
- Disability
- Gender

- Gender identity and reassignment
- Pregnancy and maternity
- Race (ethnicity)
- Religion and belief
- Sexual Orientation
- Marriage and Civil Partnership (Staff)

## Equality at Clover Leys Spencer Academy

---

We believe that equality at our school should permeate all aspects of school life and that it is the responsibility of every member of the school and wider community. Everyone within our school community should feel safe and secure, they should feel valued and of equal worth, these include:

- Children and young people
- All staff employed at the school
- Students on placement
- Staff from across other Trust Schools
- Parents/carer
- Governors
- Agency staff
- Contractors working at our school
- External agencies whose staff are working with our school, including Health, Social Care, Special Needs support and agencies such as the Department for Education, Ofsted and Challenge Partner colleagues.
- All visitors to the school

We implement accessibility plans which are aimed at:

- Increasing the extent to which disabled pupils can participate in the curriculum.
- Improving the environment, both inside and out, to enable disabled pupils to take better advantage of all we have to offer, both educationally and pastorally.
- Continuing to develop the accessibility of information for disabled pupils

The Trust, governing body and school are committed to a policy of equality and aims to ensure that no employee, job applicant, pupil or other member of the school community is treated less favourably on grounds of sex, race, colour, ethnic or national origin, marital status, age, sexual orientation, disability or religious belief.

Any behaviour, comments or attitudes that undermine or threaten an individual's self-esteem on these grounds will not be tolerated. We aim to provide equal access to high quality educational opportunities and to ensure that everyone feels that they are a valued member of the school community. We seek to provide a safe and happy environment where all can flourish and where physical and cultural diversity is celebrated. All members of the school community are responsible for promoting the school's Equality Policy and Action Plan and are obliged to respect and act in accordance with this policy.

## Local Support

---

The Equality Alliance champions the views of people who are under-represented in society - those with protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation) - at a local level. The Alliance enables the voluntary and community sectors and local partners to come together to identify the challenges that are making life difficult for many citizens of Derby and develop policies and programmes to combat inequality. The next phase of the Equality Alliance will involve voluntary and community organisations that represent people with protected characteristics, coming together to discuss how best to support, encourage and promote community cohesion in the city.
